

# Photo Story Instructions

---

Microsoft™ Photo Story 3 is free software that can be downloaded at home. Either google : Photo Story or go the the following link to download at home:

<http://www.microsoft.com/download/en/details.aspx?id=11132>

1. **Gather** photos  
-Have photos on a flash drive, GoogleDrive, OneDrive or Dropbox
2. **Create a folder** (name it *La recette*) on your desktop—download your photos
3. **Open Photo Story 3** for Windows
4. Click **"Begin a new story"**
5. **Import your photos** from your *La recette* folder into Photo Story and arrange them in the correct order  
-You may drag your pictures to put them in order

**It is always a good idea to SAVE continuously!! Save in your folder. Name it "La recette—Last Name"**

6. Click "Next" in order to **ADD TEXT** to your pictures  
-You may change the font, color, size and location by clicking the boxes above the text box.  
-Be sure to choose a font, size and color that is easy to read!

**\*\*\*This would be a great time to SAVE!!! Name it "La recette—Last Name"**

7. Click next **record** your information for each picture. (*You may simply read your text from your outline. It is not necessary to type what you are going to say.*)  
-To record, click the circle with the red dot to begin recording, and click the square to stop.
8. **CLICK "NEXT"** after all of the recording has been complete.
9. It will give you the opportunity to play music, which isn't ideal for this project. Just click "Next"

10. Your final step is to **"Save your story for playback on your computer."**  
-double check that it is saving to your folder on your desktop!!

11. Your story will **render** then be saved as a **.wmv file**. ←

12. You may **View your project**, if you wish.

13. Stop and **double check** that your story shows up as an **.wmv** file in your folder on your desktop!!

Now that you have the file saved as a video, it's time to post it for submission!!

# To Submit

In order to submit the projects, you will need to share a link to your project on our **Edmodo page**. Since Edmodo has file size limits, **you MUST post a link to your video**.

You have some choices:

## 1. Upload on **Schooltube.com**

-Log in with:

Username: FrenchisGr8

Passwrod: FHC

-Click upload

-Upload the **.wmv file** (should be titled: La recette—lastname)

-Copy that link onto your post on Edmodo.

-To find the link, click on the “share” icon , and copy the link

## 2. Upload to **Google Drive** and get “shareable link”

Open your Google Drive

Click upload

Find the **.wmv file** and upload

Click share and find the “shareable link”:

Copy this link and put into Edmodo.

## To upload to Edmodo:

1. Log in to Edmodo.com:

2. Go to “français 2”

3. Go to Note : type in a message . **Your FRENCH message goes here**

4. Click on the link

This allows you to attach the link for your video

Send to “français 2”

5. Paste the link from Google Drive or from Schooltube

Paste the link to your video here.

**LAST STEP: Send your Edmodo Note to “Français 2”- (It's always a good idea to make sure that it posted correctly as a .wmv file!!)**
